Public Housing consists of apartments owned & managed by local housing authorities. Rhode Island Housing (RIH) numbers include homes financed by Housing Credits, HOME (rental & homeownership), apartment mortgage loans, project-based Section 8 apartments, Special Needs Rental Program, as well as homes financed by the State's Neighborhood Opportunities Program (NOP) and Building Homes Rhode Island (BHRI). RHS515 are apartments funded through the Rural Housing Service. HUD Section 8 are development-based rental subsidies, not portable tenant vouchers. HUD 202 and 811 are rental funding programs for the elderly and disabled, respectively. Other subsidies include municipally administered CDBG and municipal government subsidies. Group Home Beds are residential facilities licensed by the state's DCYF and MHRH agencies. Towns shaded in black have low-and moderate-income units in excess of 10% of all housing units. Towns shaded in gray have at least 5,000 occupied rental units that comprise at least 25% of all housing units, and the town's low- and moderate-income rental units exceed 15% of the occupied rental units. Seasonal housing is not reflected in the number of total (actual) housing units for each municipality.
